

Happy Easter, St Andrew's!

Providing a worship service during this COVID crisis requires some special creativity (and we're still working on this!) A reading of the Gospel and a short reflection has been posted on our website and it's located, as last week, on the St Andrew's website. Just click on EASTER SERVICE 2020

Easter definitely needs music too. Below are three selections, two of which provide words so that you can sing along. Please consider the third as an anthem for you to enjoy. Lynn taught the Lunch Bunch "The Storm" and we sang it not too long ago with the St Thomas Youth Choir. Sorry we didn't record it then, but this version is pretty wonderful too.

Here's a suggested order of service

1. Listen to, and sing along with the first hymn by clicking on the hyper-link (blue) address below.

2. Adjust your settings to the St Andrew's website and listen to the gospel and reflection posted there.
3. Click the following hyper-link for a final hymn. (You may need to press "Skip the ad.")

<https://www.youtube.com/watch?v=nzy7jFNuc3w> Josh Grove Choral Society, Feb 8 2010, "Jesus Christ Is Risen Today" (with words)

4. Sit back and enjoy the anthem, because the storm truly is passing over. Halleluia.
